W.E.B. DuBois Academy

Project Alpha is a community program sponsored by the Alpha Lambda alumni chapter of Alpha Phi Alpha Fraternity, Incorporated. W.E.B. DuBois Middle School has the distinct opportunity of hosting the mentoring group in our building this year. This year, the mentors would like to host a Conference/Lock-in at W.E.B DuBois known as Project Alpha. This conference provides an environment where young males can learn about sexuality, manhood, and relationship issues. Young males are invited to receive information and problem solving skills and share their own experiences in an all-male setting.

The conference is scheduled for November 2023 at the DuBois Academy from 2:30 – 9:00 p.m. Parents or guardians must make arrangements to pick up conference participants from the school no later than 8:30 p.m. A snack and dinner will be provided with invaluable information. Please allow your child to bring a change of clothes to change out of their school uniform.
